

Taco Seasoning

Ingredients

6 tsp chili powder
5 tsp paprika
4 1/2 tsp cumin
2 1/2 tsp onion powder
1/8 tsp cayenne pepper

Preparation

- Combine all ingredients in a jar with a tight fitting lid.
- Mix well by shaking it.
- Store in a cool dry place. Keeps up to 6 months.

Makes about 21 teaspoons (about 1/2 cup). 7 teaspoons equal a 1.25 oz pkg. of purchased taco seasoning.
